

HUMANITARIAN ARCHITECTURE WEEK 2019

DESIGN FOR A FRAGILE PLANET

Across three public events, humanitarian architects will explore divergent pathways and projects in designing for marginalised communities.

PUBLIC INTEREST DESIGN MASTERCLASS – BRYAN BELL (USA, Founder Design Corps)

August 6 - KOORIE HERITAGE TRUST

Training on how designers can expand their practices through working on a wide range of collaborative fee-based and pro bono projects with and for diverse community groups. - Sponsored by HASSELL

INDIGENOUS ARCHITECTURE AND DESIGN FORUM: CULTURAL HERITAGE AND CLOSING THE GAP

August 6 - KOORIE HERITAGE TRUST

ELIZABETH GRANT, JEFA GREENAWAY + more

The Indigenous Architecture and Design Forum will explore the nexus between cultural heritage, design and the wellbeing of Indigenous peoples.

PUBLIC LECTURE: DESIGN FOR A FRAGILE PLANET

August 7 - RMIT DESIGN HUB

Hear three humanitarian architects explore divergent pathways and projects in designing for marginalized communities.

BRYAN BELL (USA)
SAIJA HOLLMÉN (FINLAND)
KIRTEE SHAH (INDIA)
