

Prof. Dr. rer. nat. Jan Deska
Associate Professor
Bioorganic Chemistry
Department of Chemistry and Materials Science
Postal address: Kemistintie 1
02150 Espoo, Finland
Email: jan.deska@aalto.fi
Mobile: +358405866690

Curriculum vitae

2015–2021 Associate professor in Synthetic Organic Chemistry, Aalto University, Finland
2014–2015 Interim professor in Organic Chemistry, RWTH Aachen University, Germany
2010–2015 Assistant professor in Organic Chemistry, Cologne University, Germany
2008–2010 Postdoctoral researcher w/ J.-E. Bäckvall, Stockholm University, Sweden
2007–2008 Postdoctoral researcher w/ G. Mehta, Indian Institute of Science, Bangalore, India
2004–2007 Doctoral studies in Organic Chemistry w/ U. Kazmaier, Saarland University, Germany
1999–2004 Diploma studies in Chemistry, Saarland University, Germany

Qualification

2014 Venia legendi, Docent in Organic Chemistry, Cologne University, Germany
2007 Doctor of Natural Sciences, Saarland University, Germany
2004 Diploma Chemist, Saarland University, Germany

Awards & Fellowships

2019 ERC Consolidator grantee
2017 EuCheMS Organic Division Young Investigator
2015 Bürgenstock JSP fellow
2014 Research award of the Dr.-Otto-Röhm Memorial Foundation
2013 Thieme Chemistry Journals Award
2010 Liebig fellowship of the Fonds der Chemischen Industrie
2008 Postdoc fellowship of the German Academic Exchange Service DAAD
2008 Dr.-Eduard-Martin dissertation award of the Saarland University
2007 Postdoc fellowship of the German Research Foundation DFG
